

Institute of Management Consultants and Advisers

Details of Accredited Consulting Practices

The IMCA is the professional institute for management consultants and business advisers in Ireland. It is concerned with the standards, status and development of the profession and awards the international Certified Management Consultant (CMC) designation in Ireland. For more information, visit the IMCA website at www.imca.ie.

This document contains details of Accredited Consulting Practices (ACPs) within the Institute. ACPs are larger consulting practices whose training arrangements for consulting staff have been confirmed by the IMCA as meeting the standard for Certified Management Consultants. CMC is an international qualification based on strict requirements relating to competence, ethics and independence, and its certification is supervised by the International Council of Management Consulting Institutes.
